EDUCATION

IIEST,Shibpur
B.Tech. in ETC
2020-2024
CGPA till 6th Sem: 9.0 / 10

Vidyasagar Shishu Niketan
Senior Secondary
2018-2020
94.75%

Vidyasagar Shishu Niketan
Secondary
2016-2018
96.25%

SKILLS

Languages
• Java

Backend   Frameworks
• NodeJS • Express

Database
• MongoDB • SQL

Others
• Git • Data Structures
• Algorithm Design

LINKS

Leetcode : nm_007
Github : **nm_007**

HOBBIES

Badminton, Cycling.

PROJECTS

Project Blog | Blog Website for Development project ideas (Github)
   • Created a site where users can check out different categories of projects.
   • Created a submit option where users can upload their own ideas and get them featured.
   • Technology stack used **Bootstrap, NodeJs, Express, MongoDB.**

SPEECH RECOGNITION | Speech Recognized Command System (Github)
   • Created a command-line system for Linux and Unix-based systems with the input from the user's voice. It will take the command from the user through their speech and do the tasks accordingly.
   • Technology stack used **Python3, SpeechRecognition.**

WORK EXPERIENCE

PwC India | Technology Consultant Intern
May - July, 2023

   • I worked here as a Technical Consultant Intern in Cloud domain. I had developed a prototype for server less hub which can be used as an Event Driven Notification System.
